Product Description

Echo CS-4510-16 Rear Handle Chainsaw

SKU/Model: ECCS451016

The **Echo CS-4510-16** is a versatile and lightweight chainsaw perfect for general-purpose use. Powered by a 45.0cc professional-grade engine, it offers plenty of power for cleanup, pruning, and cutting firewood. Its 16-inch bar makes it incredibly easy to handle in tight spaces.

Key Features & Benefits

- **Rapid Start™:** Features a spring-assisted starter for effortless engine ignition.
 - **Tool-less Tensioner:** Side-access chain tensioner allows for quick and easy chain adjustments.
 - **Visible Fuel Tank:** Translucent fuel tank allows for quick level checks without removing the cap.
 - **Ergonomic Grip:** Rounded front handle and contoured rear handle for natural hand positioning.
-
