Product Description

Echo CS-4920-18 Rear Handle Chainsaw

SKU/Model: ECCS492018

The **Echo CS-4920-18** is a powerful, mid-range chainsaw built for both homeowners and professionals. Featuring a 50.2cc professional-grade 2-stroke engine, this saw delivers the torque needed for felling trees and large-scale firewood processing. The 18-inch bar provides an optimal balance of cutting capacity and maneuverability.

Key Features & Benefits

- **High Performance:** 50.2cc professional-grade engine delivers exceptional cutting power.
 - **Ergonomic Design:** Lightweight frame with an advanced vibration reduction system for all-day comfort.
 - **Tool-less Access:** Easy-access air filter cover allows for quick maintenance in the field.
 - **Reliable Starting:** Features a decompression valve for easier, faster pull-starts.
-
