Product Description

Echo CS-4920-20 Rear Handle Chainsaw

SKU/Model: ECCS492020

The **Echo CS-4920-20** is engineered for heavy-duty cutting tasks. With its 50.2cc engine and a 20-inch bar, this chainsaw is ideal for larger timber and demanding property maintenance. It combines a high power-to-weight ratio with the legendary reliability of Echo's 2-stroke technology.

Key Features & Benefits

- **Large Capacity:** 20-inch bar and chain allow for cutting larger diameter logs in a single pass.
 - **Air Filtration:** G-Force Engine Pre-Cleaner™ reduces air filter maintenance by spinning out dirt.
 - **Automatic Oiler:** Adjustable, clutch-driven oiler only operates when the chain is moving to save oil.
 - **Professional Construction:** Magnesium crankcase for high durability and reduced weight.
-
